2. Soledad y el mar
3. Mexicana hermosa
4. Mi tierra veracruzana
5. Soy lo prohibido
6. Vals poético

Timeline

This section is to provide any deviations between your initial project and the completed project, with relevant details.

If there were **no** deviations, you can add the original timeline you created for your application.

The Process

Provide a detailed narration on (but not exclusively):

Songwriting; recording; your team's interaction, Single releases; Marketing strategies; Challenges and the solutions; Release and/or promotion performances, etc.

Milestones

Share with us any successes (could be tangible or intangible) that you have experience so far! It may be:

New music industry connections you've made

Contracts or agreements that the project has attracted

Nominations and/or Awards

Invitations to conferences or festivals

Single was featured in TV show

Metrics and Stats

Any number you have from the following:

Physical CDs sold to date

Number of reviews/features in relevant blogs/magazines

Total Spotify streams

New Spotify Followers

YouTube views of your video (if any)

New YouTube subscribers

Merchandise sold

Media

Provide the coverage your project has received so far and include all the relevant documentation or links.

It could look like:

Interviews and/or reviews in radio, TV, blogs, magazines, podcasts, etc.

Future

Finish by talking about the artistic relevance of your finished product. Below some questions to help you:

What are your plans and prospects for this project?

How is it going to impact your career in the short term? and long term?

What did you learn from this project?

Final Budget

Please include a thorough spreadsheet of your project's expenses in pre-production, production and promotion. That could include payments to your team, marketing strategies, studio, manufacturing, artwork etc.

Provide personal, private and public revenue contributions in addition to the MusicNL funding you were granted. That could be \$ granted from other funding entities, sponsors, earnings from project or your own contribution.

You are welcome to insert it into the document or upload a separate Microsoft Excel, Google Sheets, Apple Numbers, etc.

Artwork /Photos

Make sure to add color to your report!

You can insert images throughout the document or make a whole section for them to explain their significance to your project.

Receipts

You can add good quality photos/scans of your receipts in the report or upload them in a separate zip folder.

If you are uploading receipt photos, we recommend "CamScanner" to present them in a professional manner.
