## TOUR ACTIVITY

Add here as much description of the tour as you want.

## PROJECT OUTCOMES

Share with us the objectives you had with this project, for example:

- Build audience capacity and brand familiarity in Atlantic Canada
- Garner media attention through tour to promote...
- Build credibility as a touring band

For each listed objective, please elaborate in which ways those objectives were achieved

## CONCLUSIONS

Let us know how this project will impact you, your band or the music community in the near future. We'd love to see where will you go next!

### Note:

Receipts, expenses spreadsheet and any other material can be added to this same document or in separate documents in a zip folder.
